Dani Oh, here, and we're glad you made it and got a direct access to this one in a lifetime opportunity offer made for only Cashwallet Resources Members around the world.

This is how we're going to make over 5% - 25% Passive Income for you.

Do you want more money as a Forex market trader?

Would you like us to make even more pips profits for you?

How would an extra 5% - 25% Passive Income to your trading account be for you?

This is a one in a lifetime Forex Money Making Opportunity for you as our Esteemed Cashwallet Resources member.

You coming this far and having the opportunity access to this one in a lifetime Forex Money Making Opportunity is not by accident.

Why?

You made it happen for yourself for being our Esteemed Cashwallet Resources member.

CASHFOREX PASSIVE INCOME MONEY SYSTEM

We want to make more Forex Passive Income for you as a Cashwallet Resources Member while you also keep making additional personal Forex income money for yourself too.

Yes! We want to extend our professional first hand trading success experience to you thereby increasing the amount of income you earn per month as a dedicated and success driven trader and investor.

Let CashForex staffs work with you as our Cashwallet Resources Esteemed member in making an extra Forex passive income directly into your personal trading account every month.

YOUR ADVANTAGE AS OUR ESTEEMED MEMBER

1. This is a complete Hands-Free Forex Passive Income Generating system for you as a Forex market trader.
2. We do all the Trade Analysis, Research and Trading for you, while you go about your Regular daily activities without helping us make over 5% - 25% Forex Passive Income for you every month.

WHAT YOU NEED TO BECOME AN INCOME PARTNER

1. Make a fund deposit into one of your live Forex trading account, sit back while you watch us increase your initial deposited funded equity from an initial stage amount to over 5% - 25% increase stage on a monthly basis thereby exposing only less than 3% of the total equity to the Forex market.

WHAT WE NEED TO MAKE PASSIVE INCOME MONEY FOR YOU

1. We would only ask you for your live account No. example, 1234456, and your MT4 platform password which would enable us to place and close good trades on your behalf without needing any personal help from you.

This in turn does not give us access to your deposited funds since account funds withdrawals can only be possible through the same name that initiated the account deposit at first.

2. That being said, you have nothing to worry about because your deposited funds are safe and it is 100% Guaranteed from us.

OUR PASSIVE INCOME FUNDS SAFETY GUARANTEE TO YOU

1. The only thing to be at risk here is the funded capital, and this means your funds is not at any risk because every account withdrawal would only be possible through the same account holders name and bank account which was used for the initial deposit.
2. We Guarantee that all your deposited funds are 100% safe and will be safe till the end and after the Forex Passive Income opportunity contract period.

OUR REWARD, YOUR FOREX SUCCESS

So here is the thing, our reward is your success.

How?

The more we make more Forex Passive Income for you, the more you reward us in good faith.

So what do we ask from you?

Our Forex Passive Income Opportunity Reward for every profit withdrawal period done by you our esteemed member is only 50%, which are the profits made by us excluding the initial deposited capital done by you.

This is a fair reward for us, in helping you make an extra Forex Passive Income on your initial deposited equity while you o about your regular day activities.
